

LUMINAIRE- SPECIFICATION SHEET

DOWNLIGHT- RECESSED

OCTO -

AX.DRW.8028.30

Description

Octo is designed by Axom Lights, offering a perfect blend of elegance and functionality. Available in sophisticated White and Black finishes, this recessed downlight ensures optimal illumination for any space. Its sleek design seamlessly integrates into modern interiors, providing a minimalist yet impactful lighting solution with high performance and durability, making it ideal for both residential and commercial applications. With energy-efficient technology, it not only enhances your ambiance but also reduces energy costs.

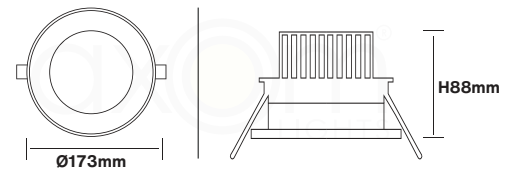

Technical Specifications

Code	: AX.DRW.8028.30
Technical Region	: 220V-240V/50Hz-60Hz
LED Chip	: Cree COB
Wattage	: 30W
Luminaire Efficiency	: 95lm/W
Colour Deviation	: <3 SDCM
Lumen Maintenance	: L80/B10≤50000h
LED Failure Rate	: 0.1%≤50000h
LMF	: D
Energy Efficiency Class	: A+
Color Rendering Index	: >90
Power Factor	: 0.9
Ingress Protection Code	: IP40
Impact Protection Code	: IK02

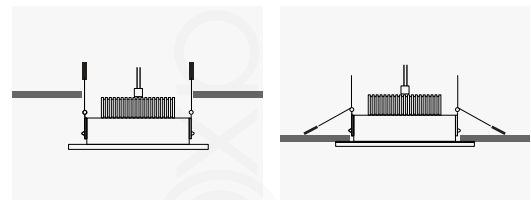

Driver
 Type: Constant Current
 Standard: Non Dimmable
 Optional: 10-1/0V, DALI, TRIAC

Finishes: |  Beam Angle°: 40°
